SBL and SBR Courses

iCount are running new innovative courses for SBL and SBR, designed to address the new skills based approach that the ACCA have taken. Your tutor will be highly experienced in Case Study exams as well as being a technical expert. From the first day of the course you develop both the skills and technical knowledge to apply to the exam, and practice exam style questions. During Stage 2, you will be focusing on full exams, developing your exam technique and skills in the context of a multi requirement Case Study, receiving expert tutor guidance and feedback on your answers.

Prices include all relevant course material and VAT. All Course Times: 9.30am–4.15pm (45 min lunch).

Starting ACCA?

We offer integrated courses for the subjects tested by computer based exams. The courses include all material, tuition and online support you need to pass.

Aim to take your exam within a few weeks of completing the course. iCount is a registered exam centre—see our website for availability.
