10% discount on course prices for full level booking (mandatory units plus two optional units)
 Total price will vary depending on optional units selected
 Please note: discount does not apply to exam prices
 All prices include VAT

This qualification can be studied over 6, 12 or 18 months through day release or evening classes. The duration will depend on starting point and optional units chosen. Please note, to complete the qualification over 6 months you will be required to study for multiple units at once via day release.

Financial Statements, Management Accounting: Budgeting and Management Accounting: Decision and Control must have been completed before attempting the Synoptic course.

It is advised that Business Tax and External Audit are studied after completing Financial Statements for Limited Companies as these units will assume knowledge on the structure of company accounts.

You can commence your studies with any of the following units; Financial Statements for Limited Companies, Management Accounting: Budgeting, Management Accounting: Decision and Control, Credit Management and Control, Cash and Treasury Management or Personal Tax.

Mandatory units will run as day release classes every 6 months and in the evening every 12 months, optional units will run once every 12 months.
